00138726

A decorative graphic consisting of a grid of horizontal and vertical lines in blue and light blue, forming a stylized 'A' shape. The graphic is composed of several horizontal bars of varying lengths and widths, creating a sense of depth and movement. The lines are arranged in a way that suggests a three-dimensional structure, possibly a staircase or a modern architectural element. The colors are a vibrant blue and a soft, pale blue, providing a clean and contemporary look.
